| <p>1. Introduction</p> <ul style="list-style-type: none">a. Reason for meeting ...b. Minutes of last committee meeting and matters arising (defer) |
| <p>2. Changed priorities</p> <ul style="list-style-type: none">a. Camden's Covid-19 Volunteer Support – successful leaflet drop (thanks all), now into 4th week, see update below (3a)b. LTN is on holdc. Cleveland Bridge: works and likely traffic displacement through Camden deferred due to the current situation; the 18T limit will remain in place (info from Tom Davies, Liberal Democrat Councillor for Walcot); the planning application will require additional work and be resubmitted at a later date (see Appendix 1); JL to do an update for the blogd. Sheep: excellent progress - visiting Lansdown Cres for site survey & info gathering with resident "sheep minder" Michelle Maguire; FB & JML have reviewed legal docs, licences etc and made inroads with the Estates Dept. There is still a lot to consider and work through, including consultation and land clearance, when the time is right |
| <p>3. Camden's Covid-19 Volunteer Support Activity Initiative</p> <ul style="list-style-type: none">a. Current status: we now have 56 volunteers on our database - 11 are active in helping with shopping, pharmacy or phone call support; others are helping neighbours on an informal basis. Last week we officially joined the Bath-wide initiative managed by 3SG, which provides a co-ordinated and professional response to any caller in need. Once triaged by type of need, a call comes through to JL or LC to match with a volunteer, called a "street champion". This has required asking volunteers to register with 3SG. Currently the call rate is not too high & LC and JL are managing it satisfactorily between them, although more support may be needed in timeb. Accountability and liability: JL reported his general concerns around this. There is some limited cover available now through 3SG, once volunteers are signed upc. The initiative is being very well received; if nothing else this emergency situation will have brought people more into contact with each other than before and strengthened our community awareness and spirit. As a committee we can build on this to everyone's benefit when times are easier. Agreed |
| <p>4. AOB – very limited time available</p> <ul style="list-style-type: none">a. FB page/s to be reviewed, RD & DSb. CRA has paid the annual subscription of £25 to the Hedgemoad Park upkeep fund, NPc. Next meeting on Zoom tba, likely next week |
