

# Spooky

# camden

The next in our series of community events  
Camden Residents' Association  
invites you (and your kids)  
to take part in SPOOKY CAMDEN

Halloween  
Monday 31 October

A SIMPLE 'TRICK OR TREAT'  
Starting at Camden Crescent,  
working its way along Camden  
Road, culminating at the Claremont.

No need to sign up - just pop a pumpkin  
outside your house, or in your window, if you  
want people to call on you - don't forget to  
have some goulicious treats ready!

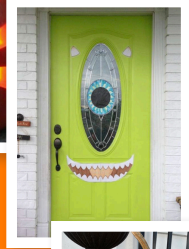

If you want to go trick or treating yourself,  
you can pop a bowl or basket of sweets  
outside your door.

Don your spookiest outfit and join in the walk!

We envision a rolling, staggered start at Camden Crescent any time between 6 and 6.30pm - then share ghost stories over a drink at our favourite local The Claremont, where Daniel is sure to be dressed for the occasion.

# Spooky camden

## IDEAS

Just as we did for Easter 2020 and the Jubilee weekend, we're encouraging Camden residents to decorate the front of our houses. A carved pumpkin, a spooky spiderweb, or just some spooky music coming through a window. Whatever takes your fancy!
