

Spooky

The next in our series of community events
Camden Residents' Association
invites you (and your kids)
to take part in SPOOKY CAMDEN

Halloween
Tuesday 31 October

A SIMPLE 'TRICK OR TREAT'
5:30-7pm on Camden Crescent
and Camden Road, culminating
at the Claremont pub.

No need to sign up - just pop a pumpkin
outside if you want people to call on you.
Don't forget to have some treats ready!

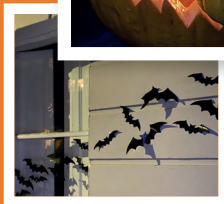

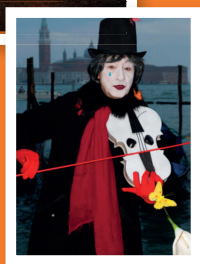

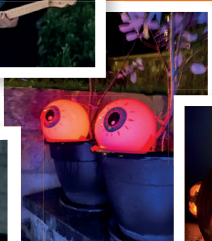

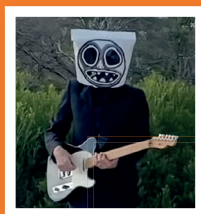

Or just pop a basket of sweets on your
doorstep and venture out to take in all
the spooky action yourselves!

The theme of this year's event is GHOST-BUSKERS!

Building on the success of our annual Christmas Busk, we invite anyone who can play an instrument (and those who can't) to dress up as the ghost of a busker. Play in front of your house, from your window or stroll the streets. The idea is to fill Camden with music (or strange discordant spooky notes).

IDEAS

Last year the spooky creativity in Camden blew us away! Once again, we're encouraging Camden residents to decorate the front of our houses. As this year's theme is Ghost-Buksers, we can't wait to see what you come up with!
